The Country Player's A Cappella Chorus

T.C.P. A Cappella Chorus
Rehearsals Begin in September

Under the direction of Erin Richman the Country Players begin their second season of the T.C.P. A Cappella chorus (a T.C.P. Fundraiser). The primary goal of this chorus is to master holiday choral selections in four part harmony. These will then be performed at local churches, parties, social gatherings, and holiday events as a fundraiser for The Country Players. Song choices range from the traditional, "Silent Night," and "Lo How A Rose," to the modern, "Seasons of Love." Rehearsals for the A Cappella Chorus will begin in September. We are currently looking to add new members to this group and any interested singers should email the Country players at thecountryplayers@yahoo.com. We are also seeking venues for our choral performances. If any T.C.P. Friends and Supporters know of locations, businesses, or organizations that would desire our musical entertainment during the holiday season please email the Country Players!
