#### Next Fall: DRACULA!

**DRACULA!**  
Coming next Fall to the  
Shea Theater.

Directed by David Grout, The Country Players plan to bring Bram Stoker's DRACULA to the stage next fall. Occurring in late October, this production will transform the Shea Theater into Dracula's castle providing an appropriately thrilling atmosphere for those who wish to take part in the spirit of Halloween. Director Dave Grout's goal is to provide all audience members with a frighteningly entertaining experience upon seeing this performance and asks that anyone interested in taking on this challenge should look for auditions following next summer's musical, Oklahoma!, or should come to the Shea Theater next October to test your nerves as an audience member!

The Country Players is a non-profit community theater organization whose goal is to utilize and encourage community talent through its dedication to the educational and cultural development of individuals through exposure to the mediums of drama, music, and dance.
